Unlocked all the way.™

WONDER™

Welcome to Orbic. Orbic is a brand of products designed to help consumers connect to the things that are important to them. Orbic products offer consumers quality and value combined with up-to-date technology. This guide will show you how to set up and use your phone.

WONDER™

Quick Start Guide

PHONE FEATURES

SETTING UP YOUR PHONE

Insert SIM Card and microSD Card

To open the SIM Card Tray, use the SIM tray removal tool included with your device.

Nano-SIM card

microSD card

Charge the Battery

Before turning on your phone, charge the battery fully. Enclosed is a wall charger and a USB cable. Connect these together and plug one end into the charging port of your phone and the other end into an electrical outlet.

WARNING: Use only an approved charging accessory to charge your phone. Improper handling of the charging port, as well as the use of an incompatible charger may cause damage to your device and void the warranty.

USING YOUR PHONE

Turning Your Phone On/Off

- To turn ON, press and hold the Power/Lock button.
- To turn OFF, press and hold the Power/Lock button and follow the prompts.

Using Onscreen Gestures

Use onscreen gestures to move around the screen, open menus, select items, zoom in or out on web pages, and more.

Swipe – Swipe by quickly sliding your finger in any direction.

Drag – Touch and hold an item to move it to a new position.

Double Tap – Tap two times rapidly to zoom in or out on a web page or picture.

Zoom – Spread two fingers apart on a web page, map or image to zoom in an area. Pinch to zoom out.

Locking and Unlocking Your Phone

Prevent accidental key presses by locking your phone.

- To Lock, press the Power/Lock button.
- To Unlock, press the Power/Lock button. Then swipe your finger across the screen.

Setting Up Gmail Accounts

1. From the home screen, tap .
 2. Tap the Gmail icon .
 3. Enter the Gmail address and password, and then tap NEXT.
 4. Follow the on-screen instructions to complete the setup.
- To set up another Gmail account, tap MORE → Settings → Add account.

Making a Call

1. From the Home screen, tap the phone icon .
2. Tap the dial-pad icon  and enter the number you want to call.
3. Tap the handset icon  to place the call.

If you make a mistake while dialing, tap  to clear the last digit. Tap and hold  to clear the entire sequence.

Receiving a Call

Touch and hold , then slide to the right to answer an incoming call.

Sending a Text

1. From the home screen, tap  .
2. Enter the name or number of the recipient.
3. Enter your message.
4. To add an attachment to your message, tap .
5. Tap  to send your message.
